LB 241, LB 239

(Start Belt #3)

strike section 1, and there is only one section plus the appeler section in the bill, and the reason for the amendment was that the opponents of the bill, who spoke for the bill before the Judiciary Committee came in, and stated that actually the section that ought to be amended to effect this purpose was 23-1506 rather than 23-1507 and therefore, the amendment was prepared to do the same thing on section 23-1507 rather than, on 1506, rather than on 1507, so this is the amendment and I would refer to Senator Marsh the explanation of the bill because the purpose of the bill is the same, the only thing was that we changed sections.

SPEAKER: The Chair recognizes Senator Marsh.

SENATOR MARSH: I move the adoption of the amendment first.

SPEAKER: Any discussion? Those in favor say aye, those opposed no. The amendments have been adopted. Senator Marsh will you explain the bill.

SENATOR MARSH: Yes. This prescribes the penalty for failure of register of deeds to properly record plats or sub-divisions. There was a disagreement in the statutes under two different sections and this clarifies it for the register of deeds, at their request this bill was introduced. I move it, movement from general file to E&R initial.

SPEAKER: You've heard the motion, those in favor vote aye and those opposed vote nay. Senator Whitney voting aye.

CLERK: Senator Whitney voting aye.

SPEAKER: Have you all voted? We are voting to advance LB 241.

SENATOR MARSH: Senator Proud and Senator Burbach, I need two more votes to move this from general file, non controversial to E&R initial, please.

SPEAKER: Have you all voted? The Clerk will record.

CLERK: 29 ayes, 1 nay, remainder not voting.

SPEAKER: The bill advances.

SENATOR FELLMAN: Mr. Chairman, Mr. President.

SPEAKER: The Chair recognizes Senator Fellman.

SENATOR FELLMAN: On the last vote I pushed the wrong button, could I request that vote be changed from no to yes? I'd like unanimous consent to change my vote from no to yes.

SPEAKER: Are there objections to Senator Fellman changing his vote, if not so ordered. Ready for the general file consideration of LB 239. The Clerk will read the title.

CLERK: Title Read LB 239.

SPEAKER: The Chair recognizes Senator Kennedy.

SENATOR KENNEDY: Mr. President and fellow members, there was one amendment offered by the committee and I move for it's adoption. On page 3 line 6, inserting after the word statue, the following provided that where fire districts provide ambulance service the county shall pay the cost for the county ambulance service by leviting a tax on a property not in the fire district, providing the ambulance service. There are services being done and this was brought to our attention,
